## Introduction

The first Hanes-Altenburg reunion was held in the year 1924 in memory of George William Hanes and Harriet Altenburg Hanes. The children felt remorse and sadness that they did not have reunions when their parents were still alive. George William and Harriet always enjoyed their children and grandchildren around. The Hanes family lived 2 miles west of Butler on the thoroughfare that became US6. Their parents came to DeKalb County in the early days and were well-known Pioneers.

After a few years, a decision was reached to invite cousins from both the Altenburg and Hanes sides instead of just descendants of George William and Harriet. At different times neighbors and friends were also invited. They had pretty regular reunions until 1941. They did not have any more reunions until 1964 and have been yearly since.

The minutes were "transcribed" usually, as is, with spelling and grammatical errors not changed. I think it is very enjoyable to read it this way, as quite a few people write just like they talked. I do this all the time. Enjoy.

## **In memory of our dear Departed Parents**

### ***First Reunion 1924***

The latter years of their lives their financial worries over, there came an interest and devotion to us that was manifest and could only come from true loving benevolent parents - esteemed by all who knew them. Their whole lives work was for us and we older ones have often seen our father plan and worry that "Harriet and the children would never be in need."

He has left us a man and father a sacred feeling and example of a pure righteous parent.

Our dear mother who benefited of his aid but strengthened by his grand principles survived many years and with each that love for us given to when no one knows but the "Father that knows all." Her thoughts were all for us. Her happiest days were when one or all of us visited the old homestead which she often suggested she would divide and make us each a home near her.

A yearly reunion of the Hanes family many years before their demise would have been the greatest of happiness for them and now sad with regrets but knowing their spirits are with us meet with Clara and Eston at our beloved old house August 15, 1924 and renew the bonds of our brotherly love and revere the memory of our dear beloved parents.

This becomes an organization, a secy being elected and place of meeting selected at each meeting for year.

Ella Harding elected secy. The old home with Clara and Eston (McCague) place of meeting for 1925.

C.R. Hanes, Secy 1924

Those Present: Clara and Eston; Alt and Metta; Cam and Ida; Metta; Carl; Sarah and Chas., David

### ***Second Reunion 1925***

As early as Aug. 14th (Fri) the guests began to arrive at the dear old farm for the second reunion--in honor and remembrance of our dearly beloved parents.

Among the first comers were Paul and Hazel Vane, by auto, from Lansing. Charles and Sarah and Chas. Jr., Cameron and Ida, by Auto, from Chicago.

With their good help, Clara and Eston and Carl had everything ready when the rest arrived-

The Gardners turned in early Saturday evening. The Wagners bringing John, Irene, and Bobby with them Sunday morning about 10:00 and followed by William and Tommy Haines before noon - Eston then drove to Waterloo and brought Alt and the children - which completed the circle.

Then came the dinner--The table was stretched the full length of the kitchen and if it could have groaned under the weight of all the "goodies", as ordinary table do, it would have let out a noise similar to our new deflector just installed by the government at all lighthouses on the Great Lakes. Everything that could be cooked, boiled, baked, or fried, greens, pastry, pickles, salad, suey and sandwiches, coffee, cake, and cream--everything--If any thing was omitted not one of the party, has noticed it yet. Each one took his plate and helped himself and then found a nice spot in the house on the porch or in the yard to sit down and "feast". After all were filled the table was left but not emptied and visiting and music was the next thing in order - cousin Hattie and David Aldrich came for a short visit and brought their daughter Mary and little girls - These little misses sang several songs in real concert style. - Two autos took the young folks to Hamilton Lake for a swim - and brought Mary Hanes back with them--While the young folks were gone the rest of the folks drove down to the cemetery and visited the graves of our loved departed.--At four o'clock all reported, and it was decided to hold the next reunion at Sarah's in Chicago, and she was chosen secretary also. For the next meeting the cooks decided that each family should bring just what they wanted for their selves - and an exchange, trade, or swapping of eats could be done at the dinner. Hazel & Paul were the first to leave - but were not gone long before the Wagners and Gardners left for their trip home -

Cameron and Ida drove back in their new Studebaker the next day (Mon.) Chas. And Sarah and Chas. Jr. stayed a few days at the farm before going on to New York where they spent a week sightseeing - Alt's folks were taken home by auto- and thus ended the big day.--All those on their way home feeling happier for the privilege of having fulfilled one request of our dear Parents --"that we may have many happy reunions at the dear old home." Ella Gardner, Sec.

### ***Third Reunion 1926***

The Third Hanes Reunion was held at the Municipal Pier, Chicago, Ill. Aug. Mon. 17, 1926.

Relatives from out of town arrived Sat. the 15th. Carl from Butler, Alt. Metta and Theron went to Goshen Ind. By train - from there - with Metta and Carl Wagner by auto. - David, Ella, Dorothy and Marcella by train from Wisconsin. We all visited from one place to another Sun. Those that had an auto took the crowd out sightseeing. On Mon. the dinner was served at the Pier. - Ida had taken much care in selecting a good location for our little party. At 2:30 PM everything was ready - Our tables were beautifully arranged before the open windows - While eating, could watch the beautiful lake with excursions coming and going with their merry crowd of cheer and laughter. - Also music from the merry go round was delightful. Alt

led us in prayer - We then undertook to do ourselves justice. The table was loaded with all kinds of cakes, salads, pies, cookies, sandwiches, coffee, and many other trimmings. Everybody did justice - noone seemed to worry if he had overstepped his amount as Dr. Havard would take care of all immergences (emergencies).

After dinner all gathered at the Library Room - a letter from Clara and Eston was read - as they could not be with us.

A report from last year's reunion was read by Ella - Also one previous to that by Cam.

We then voted the next reunion would be held at Metta's at Goshen Ind. Aug. Mon. 15-27, she being elected secretary. At 5:30 PM all adjourned, some by boat - others by auto. David left for Wisconsin, Olla, Dorthy, and Marcella staying in Chicago. May we all meet again.

**Fourth Reunion Aug. 15th 1927**

The Fourth Annual Reunion of the William and Harriet Hanes was held at Blosser Park Goshen, Ind. Aug. 15th 1927. A splendid attendance is reported in - as much as all the descendants were living and each one present and their families well represented; the entire families of Altenburg and Willmetta were present. The first to arrive was Florence Wagner from Evanston Sun. 9 AM and before greetings were over, Cameron, Ida, Gloria Mae, Ella Dorothy, and Marcella arrived; this only started activities for at 4:30 PM. Chas., Sarah, and Chas. Jr. came by train. A delightful day was spent and preparations for the picnic dinner was started. When Mon. 15th was surely here the rest arrived in due time too numerous to mention: all adjourned to the park and when the gorgeous dinner was in readiness Divine blessing was invoked by Altenburg Hanes. Each and every one had so much of anything they liked best it seemed so much like Mother was there telling us to eat more. A short business meeting was then called to order in the pavilion by Sarah Heffelfinger, Sec., reading her report of the previous meeting and approved. An invitation from Clara McCague and Ella Gardner was extended to have the next meeting; as Ella had not yet entertained, it was voted to hold our next meeting in St. Francis, Wis., on the first Mon. after Aug. 14th 1928. The fee or charges for local expenses was divided and settlement in full was reported. A short

program followed. First a short talk by Chas. Heffelfinger Sr., songs, and recitations by Altenburg Hanes, victrola records, dances by Hazel Heffelfinger and Chas. Heffelfinger Jr., songs by Howard and Mary Heffelfinger. This year we are thankful to report no deaths in our immediate families, but the death of cousins, Imogene Bates McPherson, March 21, 1928 at Methodist Hospital, Los Angeles. One birth Fred Don born at Goshen Hospital, July 11, 1928 to Carl and Mary Wagner. There are seven children of Harriet and William Hanes living, twenty two grandchildren, and 21 great grand children up to date. Having spent a wonderful day it came the sad part of parting so about 4 PM they began to depart for their various homes, all felt so greatly refreshed in love and friendship it seemed the closing of a perfect day until we could meet again. Each repeated a safe arrival at their homes. This closes the report for 1927 with love to all. Wilmetta Wagner Sec'y. (a clipping attached from a newspaper article) "The 4th annual reunion of the Hanes family was held yesterday at Blosser's Park with 51 present. ## *Our Reunion*

The shades of night are falling fast  
To let the morning sun rays past  
When rose a cry of joy and cheer  
To greet the one day in the year  
For our reunion.

And here comes Alt from Waterloo  
Laughing and singing through  
Leaving hammer and saw and file  
To greet again each friendly smile  
At our reunion.

Our smiles are broad; our eyes are bright  
As greetings pass from left to right  
And brother, sister, father, son  
Turn this day to frolic and fun  
At our reunion.

Wilmette is the one who entertains  
And hopes and hopes against the rains  
She plans until her head does ache  
We 'er glad that Goshen is at stake  
For our Reunion.

And from Chicago come the flocks  
Of lady folk in fancy frocks  
There's Cam the oldest and Sarah next  
With all their families at their best  
At our reunion.

Here are tables piled so high  
And there's the cozy park nearby  
Here's everything to make us glad  
To drive away the sorrow, sad  
From our reunion.

From St. Francis the Gardner's come  
Chief WaWa with her Indian drum,  
Ella and David from the north  
On the journey setting forth  
To our reunion.

Now folks the twilight cold and gray  
Now go the merry makers away  
Happy and tired go they near and far  
A memory like a falling star  
Is our reunion.

Here they come from down on the farm  
From the old home with winsome charm  
Clara and the boys leave their occupations  
For a holidays vacation  
At our reunion.

Celestia Hanes

## **Fifth Reunion 1928**

The big day in August 1928 ushered itself in very pleasantly indeed with a fair promise for the usual good time. The few days before the reunion which this year fell upon the 20th, were watched with much eagerness by the many relatives in hoping and praying for good weather and most of all good attendance. We knew that all were thinking of the trip north, even to the camp of St. Francis and those there were ready and watching every pedestrian or auto from early Sunday morning. The first to arrive was Chas. Heffelfinger Jr. He came to spend the day - only so we began on music and visiting immediately for a few hours which went by all too soon. Leo H. and family came from Ohio by bus, and Cameron, Ida, and Carl Haines, Gloria May, Wilmetta, and Florence Wagner came in the Studebaker at about the same time. A delegate took Chas. Jr. to the Northwestern depot and met Chas. And Sarah also Don Heffelfinger and family came in early evening. We then found that all that were coming were with us: There was disappointment as there always is --- one or two that cannot be present, but from experience and know where the pang hits the hardest, and we had to make the best of it. After a light supper and looking over things for the big dinner, it was time for each to

seek a spot big enough to lie down upon for the night and rest his weary bones. Cots were set up in the different rooms and soon there to be occupants, were dodging each other in the vain effort to duck in where his neighbor wasn't looking.

Morning of the 20th came, and Gardner's place was a busy one - Everybody preparing his part for the dinner which was to be served in the pavilion at Grant Park, four miles south. Three autos carried the folks and provisions - meat roasted, coffee made, and served by the attendants at the pavillion. Small tables were pushed together, charis placed around and napkins laid for 42 guests. Mother Gardner, Emma, Teresa, and Hannah, Sister Mary Ursula, Mother Mary Xavier, James Gardner and family. Miss Murphy and Mrs. Klump all came in time for dinner and to help. While the cooking was going on the young and fleet of foot went through the park and down to the swimming beach, while others took advantage of the rocking chairs inside. Dinner was called at 1 PM which consisted of roast veal, pork, whipped potatoes, salad, coffee, cake, and ice cream--and many other dainties. There was no hurry with the eating, but by the time it was over and things cleared away - we assembled on the lawn for pictures. Several sittings were snapped, followed by some real artistic aerobatics stunts by Florence and Don Heffelfinger. The sun began hiding behind the clouds, rain threatened, and some were already picking up to start home. Business meeting was called. The first, upon calling to order was the presentation by Wilmetta Wagner, of a gavel, to the organization. The gavel was made more precious because it was the work done by Carl Wagner, and we all know how Mother did cherish anything made by her wonderful grandchildren. Letters noted from Clara & Eston, Alt, and Mettie, those absent; also Irene Gardner, altho in St. Francis, she had to stay in bed and cuddle Mary Ann, just 5 days old. A suggestion was made to buy a lot at a summer resort near Elkhart, Ind. And erect a cottage or shelter, to be used as a permanent place for the reunion. After talking it over, Chas. Heffelfinger Sr. was asked to make inquiries about location, price, etc. and report at the next reunion. The invitation by Clara, for the next reunion was quickly accepted. After everyone had signed the register - meeting adjourned, the company hurrying homeward to beat the rain..Cameron & Ida, Mettie & Florence Wagner left first - all the rest were taken to the city and St. Francis by David & Virginia acting as taxies. Chas. And Sarah left in the early evening. Geo. & family, Don & family staying overnight. The rain came in earnest about 10:00 , but we knew all were home or safely under shelter with us -- Uncle Carl staid (stayed) a day longer with us, but he too had to go and all that remained was the sweet memory and the knowledge that it would be only a year until the next reunion--

Ella Gardner, Sec.

...a daughter Mary Ann was born to John and Irene Gardner August 15, 1928.

There is a picture labeled "As we were at Grant (County) park Aug. 20, 1929. I think this probably should have said 1928 as the next year in 1929, it was held in Butler.

### **The Sixth Annual Reunion (1929)**

The sixth annual Reunion was held at the old Home Farm Aug. 12th.--The friends commenced to arrive on Sat. p.m. Cam, Ida, Gloria Mae, and Ella was the first to appear. Ella stopped off at Waterloo and spent the night with Alt and family but early Sun. morning we couldn't spare much time in getting her with us. On Sunday P.M. Sarah and Charles came by train and the ones here lined up in an old familiar way to watch for the train to go past to see if we could see some one wave out the window. It brought back memories of years gone by as our dear Mother would wait anxiously for train time when she knew some of her children were coming that she might see them first waving from the train. How happy she would be to know they were coming. We were not disappointed for Laudershiefs? Were waving and Cam ready to make a dash for the train and soon had Sarah and Charles with us. Monday morn came and it was an ideal day for the gathering. William Hanes surprised us by driving in about midnight. Alt and family were the first to come followed closely by Metta and Carl and his family from Goshen. Howard and Mary came next and to our pleasant surprise about the dinner hour. Hazel U. with cousin Ella and Emma came driving in, a treat to us all to have them with us. The great event of the day was the dinner and I am sure everyone ate all they could and enjoyed it just as much after the dinner was cleared away, Ella called the business meeting to order.

Charles Heffelfinger made a report as to the suggestion of the lot proposition but after investigating it found it to be a poor place, as the lots were back too far. Ida made a motion next meeting to be held in Chicago on Labor Day. It was 2nd by Sarah. Next came a good entertainment from Alt and everybody sat with eyes and ears open enjoying every word. We all enjoyed songs together. In the afternoon Cousin Hattie and David A. and Mr. & Mrs. William Magginis and Mrs. Jake Obendorf called. We had a very distinguished guest and dear friend of our family so many years, dear Aunt Jennie Becthol and no one enjoyed the reunion more than she did. By the middle of the p.m. some had long drives to make and then came the parting, William, Howard, and Mary were the first to say Good By. Then Hazel and the cousins - Metta W. staid (stayed) a few days and Ellas remained with us until Wed. She started her journey home stopping with Alt and at Goshen. A letter was read from Uncle Casper, in respond (response) to his invitation to be with us. If we had space would like to record it, but will attach it to our Record book so that we can all enjoy to read it when the book appears again.

One birth was reported, a son to John and Irene Gardner.

Two deaths came in our family and Martha Altenburg and Maud Will A.

One wedding reported; Charles Heffelfinger Jr. and Louise Harrington - We all welcome her to our family.

The only run this year was scored by the Gardners, which keeps them still in the lead--A boy, Walter David, was born to Agnes Gardner Williams - January 19, 1929 at Birmingham, Alabama. This was added.

The guest began to arrive Sun. 6th and by eleven o'clock Labor Day all had assembled at 313 E. Washington St. from there all met at the park in time for a gorgeous dinner served at one large table. An ideal day with happy guests marked another anniversary in honor of our beloved parents. Prayer was offered and dinner over a number of short talks followed. The business of the meeting was next transacted. A suggestion was made and carried that we employ some one each year to cater for each reunion. Mr. And Mrs. Nic? Cripe being in charge of this gathering a vote of thanks given to them for the service and quality for the price of .55 per plate. It was moved and carried that we hold our reunion on the Sunday being nearest to Aug. 14th. Goshen was chosen as the most centrally located and most convenient place for all as a permanent location. Contests were next in order winners being Mary Keiss Ella Gardner George Mailloux Jean Heffelfinger.

A number of groups of pictures were taken and everyone certainly had a lovely time visiting. It was decided to extend membership to each and all the remaining relatives and try and have them join us each year and keep the organization growing.

We again gave thanks that we were able to all meet together once more and hoping for next years success we began to depart this ending a perfect day. On Sept. 8th one day too late a letter from Hon. Cospier Altenburg of Little Rock Arkansas was delivered which was to have been read at our next meeting but will certainly be held over for Aug. 14, 1932.

#### *Minutes*

The 36th Annual Hanes-Altenburg Reunion was held Sept. 6, 1999 at Julia and Alex Kyle's home at Columbia City, IN. It threatened rain all day but never materialized. Alex and Julia had a nice tent set up outside in case it did rain with bright red tablecloth's cheerfully welcoming. Everyone who came visited before eating with much family history being discussed.

Theron and Joy brought family pictures to enjoy and Jim and Roz Wells brought a book Rozzy did about her side of the family and she plans on making a similar book for the Hanes-Altenburg side. She brought some information that she had already gotten from the libraries in Ft. Wayne and Auburn and also Waterloo Yearbooks that Theron and Sue especially enjoyed looking at as this is where they went to school. Family sheets were handed out for family members to fill out and a history book was brought that had Daniel Altenburg and the Hanes family mentioned in it.

A huge potluck dinner was offered with Alex and Julia providing meat and drinks. Everyone ate and then ate again because there was so much food. Everything was enjoyed by all.

A new baby was born, Michelle, making Wanda Hanes a grandmother. Zaylie Laree Ryan August 14, 1989.

A motion to have Alex Kyle, president and Rozzy Wells as Secretary was passed. Our next reunion will be at the Hamilton Park, Hamilton, IN on Labor day. The balance in the treasury is \$90.78 with \$24.00 being collected on this day.

Respectfully submitted, Rozzy Wells, Sec.
